A Trite Saying.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both fever and kidney trouble. It is safe, it is natural food purifier and tonic; you will find your system in manufacturing each day a pint of rich red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from is often attributed to impurities in the blood; it is often attributed to the skin; the fact becomes thin and the feelings "blue." Dr. Pierce's "Discovery" cures all blood humors as well as tones a tonic that makes one vigorous, strong and invigorated. It is the only medicine put up for sale through druggists for like purposes that contains no opium, no alcohol, no habit-forming drugs, and this only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and can be had to all who address free, on receipt of request, addressed by letter or postal card, addressed to Dr. E. V. Pierce, Buffalo, N. Y. This tells just what Dr. Pierce's medicines are made of.

The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, are found in all the several schools of medical practice, recommending them for the cure of the disease for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "cure-all" nostrums so easily obtained in the public places where they are composed. The ingredients of which these are composed are known. Hear again that this "Golden Medical Discovery" is made of honest, pure, vegetable, invigorate the liver and regulate stomach and bowels.

Dr. Pierce's great thousand-page illustrated Medical Series Medical Advisor will be sent free, upon request, for 25 cents, stamped and self-addressed for 25 stamps. Address Dr. Pierce as above.

count of itself. If a stewardship requires too much accounting it is pretty certain that it should have been handled a little differently.

If the dominies present will permit me, I shall take for my text a saying of Abraham Lincoln, made by him to a group of friends just after his re-election to the Presidency. He said: "In any great national trial, hereafter the men of that day as compared with those of this will be in weak and as strong as silly and as wise, as bad and as good. Let us, therefore, study the wisdom of this as philosophy, from which to learn wisdom and not as warnings to be avenged." And he added: "So long as I have been President I have not willingly planted a thorn in any man's bosom."

Now, friends, remember that Lincoln faced the greatest crisis the nation has seen since the Revolutionary war, as great a crisis as the nation can ever face, meaning as it did either national life or national death. Yet, with all Lincoln's firm sincerity of belief that it was yet possible for him to say that he had no rancor toward those who had gone hopelessly wrong and that while never for one moment blinding himself to this philosophy of the situation, he never let it as a wrong to be avenged."

ANSWERS EVERY CALL.

Barre People Have Found That This Is True.

A cold, a strain, a sudden wrench, a little cause may hurt the kidneys. Spells of backache often follow, or some irregularity of the stomach. A certain remedy for such attacks. A medicine that answers every call. Dr. Doan's Kidney Pills, a true specific. Many Barre people rely on it. Here is Barre proof.

Mrs. Lewis Marrett, of 24 Maple Ave., Barre, Vt., says: "Three years ago Mr. Marrett gave a statement in which he told what a world of good Dr. Doan's Kidney Pills had done him. He had suffered for over two years with a heavy, dull pain in his back and through his hips. His back was sore, sometimes he would have sharp shooting pains across the loins. There was also trouble with the kidney secretions which were unnatural and full of sediment. He learned of Dr. Doan's Kidney Pills through a friend who has used them and was curing a boy he began using them. He soon noticed they were helping him and after taking four boxes the pain had left his back and the kidney secretions had become natural and clear. He uses them now whenever he feels any slight return of the trouble and they never fail to give prompt relief. Our advice to anyone suffering from backache or kidney trouble is to procure Dr. Doan's Kidney Pills at E. A. Downs' drug store and give them a trial."

For sale by all dealers. Price 30 cents. Foster-Milligan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
